

Lucknow 6-15-90,

Dear Ganga Devi,

Almost every day I receive
your inward march to the
Unknown Realm, beautifully
described. This is the Transit
time you would lovingly wish
to describe to some one who
has gone Beyond & will
understand what you speak
about.

All the girls from France -
Uma - Devi - Meera - Maya
Geeta have phoned to me
Shaila is also in Paris
staying with Devi.

They invited me to France.

Lucknow is very warm
110°F. I would go to
South India for a month
during July for a
month or so.

My deep Love to you
& Dear Jason.
