

Beloved Ganga Sec,

I have recd your letter dt 10th Dec 91,  
Very late after 44 days having been  
misent to Main Land, hence delay.

No! my dear daughter, Never a  
single thought of any displeasure stirred  
in my mind about you. I am happy with  
you, for you have dedicated your life  
for Sharma to help every one to be  
free from the suffering & tension of  
the mind.

It was your Compassion, towards all being  
even for those who have ill will towards you  
which arose in your subconscious mind in a  
dream to forgive them for hurting your  
holy mind that could not stand to  
hear against your Master.

Do not entertain any ill will against  
any being, even if they hurt you.

As ONE WHO hurts is the same,  
who is hurted. All is one SELF.

I Love him. He is doing a wonderful  
Sharma work & spreading my message  
to the Seekers, who are coming to  
me in Thousands. Many True Seekers  
after Truth are coming from  
California because of having  
seen him.

Dear Sason & Beloved Ganga ji.  
& Yamuna & others came to me  
because of him.

Some movement is going on  
that I do not know.

I am a tool in the  
Hands of the Supreme  
Power.

Your Papa,  
H. S. Romji

Meera is here for 15 days.  
She speaks very High of  
Ganga ji & her Brother Sason.

H.
