Dearest Master,

What a mysterious you This NAMELESS TRUTH is! When tried to be grasped as TRUTH, no truth to be found. When trying to grasp ceases, only TRUTH REVEALED! You, Dear Master, God the moorings of all possible conceptions of TRUTH.

If duality is proclaimed, you shout "Where!"
If enlightenment is proclaimed, you shout "Who!"
If unity is proclaimed, you shout "By whose count!"

If nothingness is proclaimed
you fill full
of ~~emptiness~~ ^{fullness} is proclaimed,
you empty

If one tries to grasp you, you ~~se~~ dissolve
If try to grasp ceases, you SURROUND
