my dear Ganga,

I am very glad to read as to how you have, this way accepted, both the opposites, thus freed your mind from distinctions

The mind in this situation is never a mind, but THE SELF ALONE free from least trace of thought, abiding in its immaculate Awareness, where there is nothing apart from it. No feeling of differentiation of self or non self.

As you describe in your letters about some persons getting instant experience meeting you are rare + having good Luck accumulated previously.

What a wonderful Love for Gurn Bohak's  
Service to the Master you have always  
held in esteem which is the only secret  
of winning WISDOM, nothing else  
can match this way to free one  
Karma from Samsara,  
With Love dear Daughter,

Your own Self  
Pamji ji
