Dear Ganga ji:

I have just now read your latest letter dt 7-29-90. in which you state that:- There's no

BEYOND, no one to March +

No March. Always, unlimited  
unknowable, unspeakable, SELF

Excellent Description

You Have gone Beyond

The yonder shore

in SILENCE

nothing to be rejected  
nothing to be accepted.

This is Ganga.

Love all Beings

Har Danga
