Dearest Self,

Your power and perfection are eternally awesome. This surrender to your Divine will is endless. Today, through your loving perfection, I witnessed the spark of self-recognition in a student. I also witnessed further surrender of any false idea of a gongxi who is doing anything.

There was a storm of mind stuff, but the I behind it all is SIMPLY MYSELF. You are my only guide, my only self - Even that doesn't speak the ultimate Truth - which can't be spoken, AS THERE IS NO ONE TO SPEAK TO ANOTHER.

I am more ordinary than ever and the luckiest being I know! I am ~~identity and jealousy~~, one ~~and~~ many, NONE AND ALL!

I die continually in LOVE OF YOU!

Your eternally, blissfully  
surrendering servant,

Gongxi

P.S.

THERE IS  
NOTHING OTHER
